### Waiver and Release

I know that running a road race is a potentially hazardous activity. I should not enter and run unless I am medically able and properly trained. I agree to abide by any decision of a race official relative to my ability to safely complete the run. I assume all risks associated with running in this event including but not limited to: falls, contact with other participants, the effects of weather, including high heat and humidity, traffic and the conditions of the road, all such risks being known and appreciated by me. I understand that bicycles, skate boards, baby joggers, roller skates or blades, animals and radio headsets are not allowed in the race and I will abide by these guidelines. Having read this waiver and knowing these facts and in consideration of your accepting my entry, I for myself and anyone entitled to act on my behalf, waive and release the Fitniche New Tampa, Inc., Forest City Properties, and each of their partners, directors, employees and agents, Humanity of East Polk County, Inc. and all other sponsors, their representatives and successors from all claims or liabilities of any kind arising out of my participation in this event even though that liability may arise out of negligence or carelessness on the part of the person named in this waiver. I also agree that I may be examined and treated if necessary during the course of the race by qualified race personnel in the event medical problems of any cause arise. The race officials or qualified personnel have the right to remove me from the race if, in their opinion, I may be suffering from a life threatening condition.
